In closed find sketch compiled in accordance with connecting lines made for Fred A. Sterling, which should have been sent you some time ago.

In your cord ack. receipt of Sterling papers you state "Send 1.00 filing fee. I did not return Field notes of a survey for acreage but only two connecting lines. but if Filing fees are due for filing Field notes of Connecting lines, please in form me and same will be remitted.

Please notice at top of sketch in I show position of Lynn & Hordie surveys nos 13 & 14. The place for

stone and at S E cor of sur 12
is in River.

When I ran west for Hackberry
called for in field notes of survey
no 15 - I came to point near Hackberry
groves, on Dry creek.

have no doubt but this
is the true position for surveys
nos 13 & 14 for J. H. Lynn &
John S. Hardin.

Yours Truly

A. S. Kerr

OFFICE OF

A. D. KERR,

County Surveyor,

...BAYLOR COUNTY...

120

SEYMOUR, TEXAS, 10/12 1900

Herb Chas Royan,
Land Commr,
Austin Texas

Dear Sir,

In a recent
favor you say you fail to find
any field notes with P. A. Sterling's
File. There are no field notes
for the reason that if you will
examine the Connecting line you
will find that there is no land.

See field notes of Connecting
Lines and plat forwarded some
time ago.

Yours Respectfully
A. D. Kerr,

Recd 10/15/1900

Returned to the application of F. A.
Sterling re this to him this day 5/1900
