SYLVAN SANDERS

SURVEYING AND MAPPING

LUBBOCK, TEXAS

Nov. 17-1928

Hon. J.T. Robison
Land Commissioner
Austin, Texas.

Dear Sir:-

At the request of Mr. W.K. Dickinson, Sr. I went on the ground in Yoakum County Sept. 1st, 1928 and projected a line previously run from the NE corner of Section 1, Block D on West to the Texas and New Mexico State Line falling 896.5 varas North of the 81st Mile post and marked the NW corner of Section 455, 78.9 varas east of the State Line. I retraced the State Line North and South connecting with other lines I had formerly run to the State Line at SW 906 and NW 347.

I am enclosing a Yoakum County map showing all work I have done in Yoakum County with three separate connections to the State Line.

Yours respectfully,

Sylvan Sanders
