

I hereby certify that this plat truly represents the position on the ground of the surveys thereon mapped. That the connections indicated hereon in red ink were accurately taken on the ground and that distances indicated are correct as found. That all streams, runs or draws as hereon shown are approximately correct as to crossings of survey lines.

Courses marked \odot in red ink are original courses identified on the ground, and those marked \circ in red ink are State Survey or survey courses identified.

Given under my hand at Knoxville this 9/25/01.
 J.H. Davis
 State Surveyor

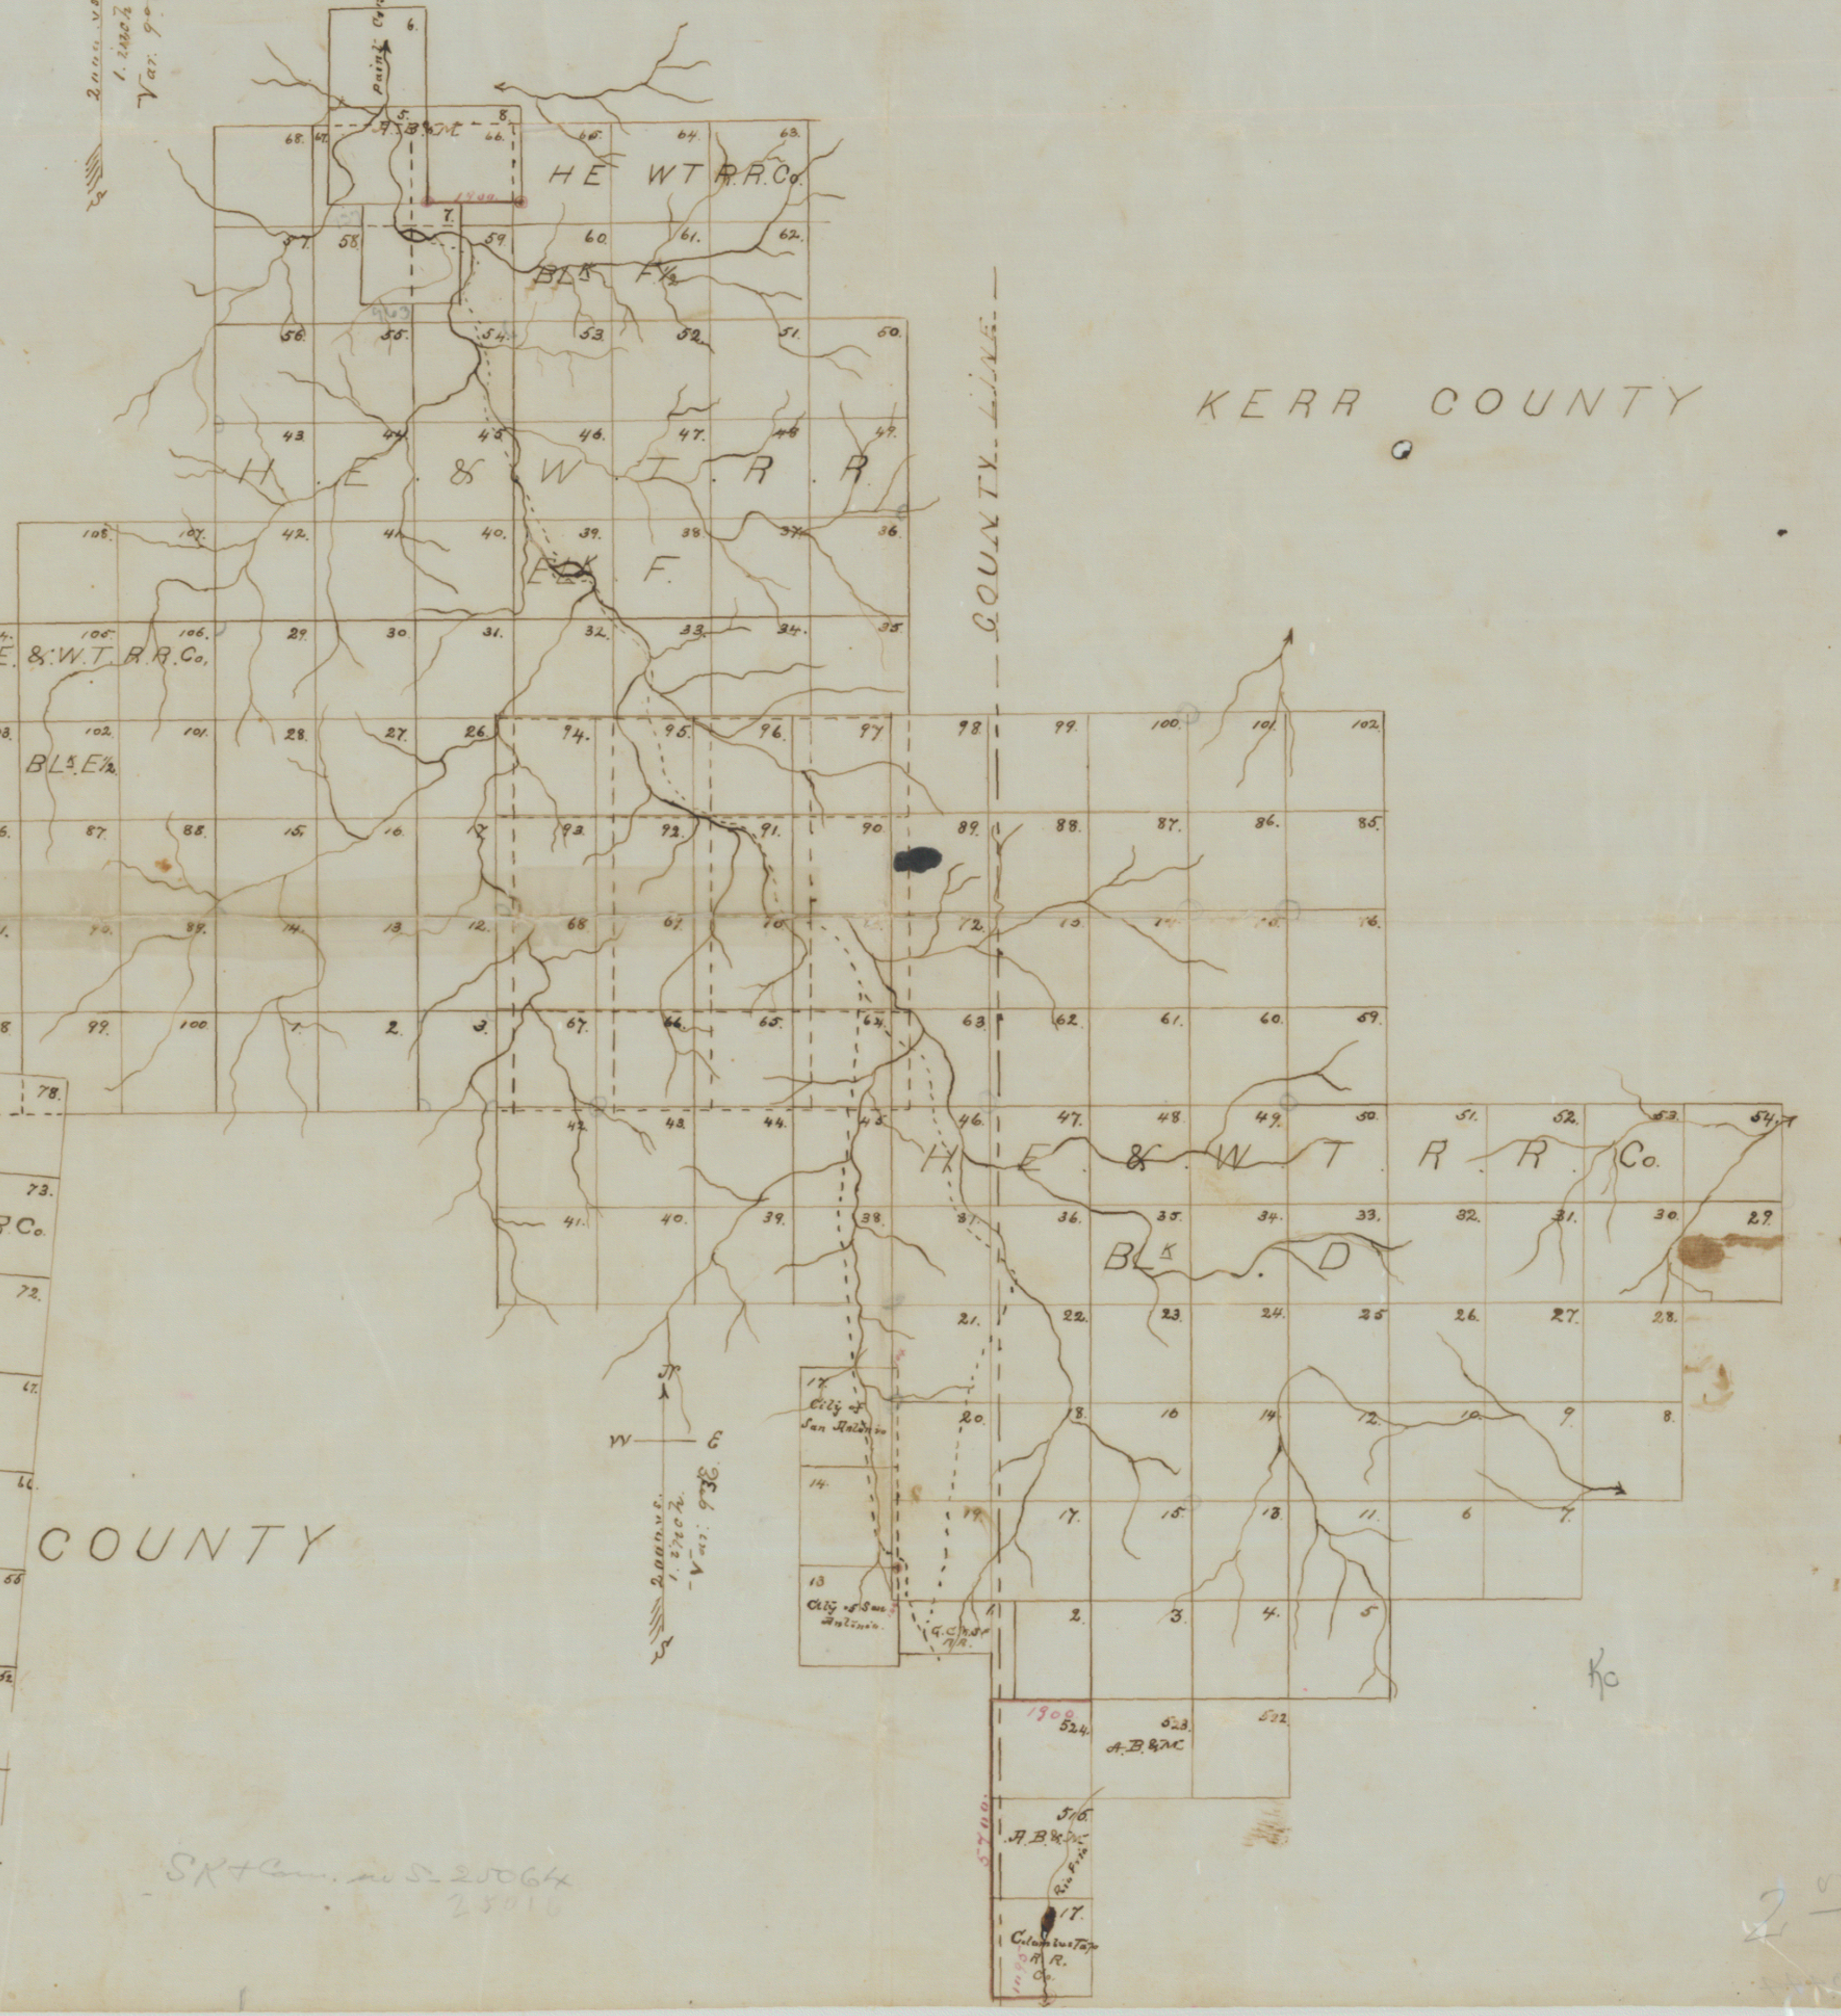

43. H.L.O. McCreary
