KENT CO.

Scale: 1000 vs. = 1 in.

- indicates corners called for in patents or corners established by G. Spiller State Surveyor
- indicates corners made by Geo. M. Williams

I Geo. M. Williams State Surveyor do hereby certify that this sketch marked sketch A Kent County, Ind. shows the surveys as found to be on the ground and all the distances given in red ink figures represent distances actually measured on the ground and that all corners and distances to bearing trees are correctly given on this sketch and that all objects both natural and artificial are correctly given thereon

Given under my hand in San Antonio Tex. this the 5th day of June 1902

Geo. M. Williams
State Surveyor

Bik. G. Kent Co.
