

I, O.H. Hector, County Surveyor Maverick County Texas, do hereby certify that I did on the 21st day of March 1886, and April 1, 2, 3, 4, 5-6-7, 1886, carefully survey on the ground in Maverick County, Texas, the surveys indicated on this sketch and that I found and fully identified on the ground the original corners indicated on this sketch thus \odot and that I found the lengths of said lines between said corners to be as indicated in red ink hereon. I further certify that I established on the ground all corners marked hereon thus \times . I still further certify that I found and fully identified the corners made by E. A. Girard in surveying the land in Block 6, made for the International and Great Northern Railway Company, said corners being indicated hereon thus \odot and further that this sketch represents the position of all surveys hereon as actually found by me in making said survey on the days above named.

To certify which I hereby set my name officially
 O.H. Hector
 County Surveyor Maverick County Texas.
