

I, M.V. Horreyer, Licensed Land Surveyor, do hereby certify that this sketch is a true and correct representation of my late Resurvey of lands in Armstrong County Tex. as shown hereon.

Note: The square surveys of Block E3 on top of this sketch have been properly constructed south of Block B4 - H & N R.R. Co according to call, allowing them a surplus of 25 var. per mile East and West, as caused by the surplus contained between the original corners of SE corner 11 and 120 of said Block B4.

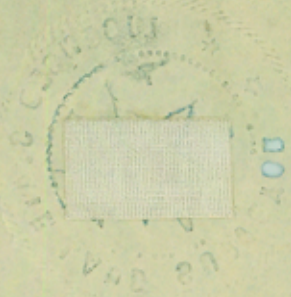

⊙ Old original corners found.
 ○ Corners established by me recently.

Scale: 600 var. = 1 inch.
 Variation 11'40" E.

M.V. Horreyer,
 Licensed Land Surveyor.
