The State of Texas  
 County of Calhoun  
 I hereby certify this to be a correct plot of  
 surveys of the Juan Cano & Morales Grant  
 various smaller surveys within the limit of said  
 Grant as shown on the plot - also of Brazos Water  
 Bay & Bayou - survey made May 1855 -  
 H. A. Davidson } Henry Beaumont  
 1st June 1855 } County Surveyor  
 Calhoun Co.

The State of Texas  
 County of Calhoun  
 I further certify that the survey marked above "A. McWhorter 179 1/2 acres"  
 at the mouth of Brazos Water Bay on N.W. side comprises all the area that could be legally  
 surveyed at the date of said survey, in connection - that by the above plot, closing the Juan  
 Cano Survey by following from its 24th or last corner in a marsh, the measure of the Bayou and  
 mouth to Brazos Water Lake the said Juan Cano Grant has its complement of area as called for in the field  
 notes of 5252 a.c. and the said 179 1/2 acre survey of 179 1/2 a.c. may well not conflict with said Juan Cano Grant -
