

The space within yellow lines truly represents the open or cultivated lands of J. W. House - The space within green lines truly represent cultivated lands owned by J. Phelps - Watley & M^{rs} Parnell. And all lines in red with the figures there on, except the figure 5,000 on head line of old No. 1 and the head line of No. 13 & 15 have been surveyed by me.

And I S. M. Fort Bend County Surveyor of Fort Bend Co. do here by certifying that the location on this sketch of creeks open & timber lands and Rail Roads and water courses and prairie & timber lines courses & distances and all buildings are truly represented there on on a scale of 1000 feet per inch as surveyed by me from March 21st to April 18th inclusive A.D. 1890
