Crosby County

Garza County

Approximate County

Scale - 2000 = 1 inch
 Variation Needle - 10° 25' E.

State of Texas }
 Survey County } I hereby certify that
 the accompanying sketch represents
 the position of surveys 172, 778
 D & S. E. R.R. Co. survey, and 374
 E. L. V. R. R. R. Co. and John
 Walker survey, and other sur-
 veys south, as I found them
 on the ground by actual
 survey. The red lines indicate
 the lines actually surveyed
 on the ground and the
 corners marked thus. I
 identified as shown on
 sketch.

Witness my hand and official
 signature at Snyder this
 May 27th 1902.
 F. M. Gennear, County
 Surveyor of Curry County Texas.
