 (see also V.S. 302)

State of Texas } I F. M. German County Surveyor Scurry
 Scurry County } County do hereby certify that the accompanying
 map correctly shows the boundaries of Block No. 5. of the
 the G. H. & H. R.R. Co. Garza County Texas. and position
 of the surrounding surveys, all the corners of which a description
 is given on this map. I found and identified, and the figures in Red
 ink, indicate the lines I actually measured on the ground -
 Witness my hand and official signature this
 Dec 14th A.D. 1901 -
 F. M. German County Surveyor
 Scurry County Texas.

Why Spiller gave this North Tier Survey 2016 NS North and South I must see corrected work nor the original. I found the original. S.E. Cor of Sur. 24. Bl. 5. an old Stone md. 110 varas East of Gr 1900 NS 3800 NS E of an old Stone md. 63. 18.5. also 1900 NS North and the S.W. Cor of 16. same Bl. and from these corners locating the S. by - 132. 5. makes a conflict of 170 NS with 1297 if Spiller had given this tier only 1900 NS there would only be 54 NS. conflict.

General variation lines on Block 5 & 2 G. H. & H. R.R. Co. Sur. 9th E
