

J. A. Coffey a. resident of Hall County
 having been duly sworn do hereby certify that I
 have been acquainted with the part of bank of Red
 River of the past seven years and that the
 said river bank has not materially changed in
 any particular and that to the best of my knowledge
 the places now are practically as they were
 in 1874 when the original survey were made.

James H. Parks,
 Surveyor Donley District.
 The black lines on this sketch indicate the original sur-
 veys of J. Poitevent Block 1 in Hall County. The red
 lines indicate the meanders of the corrected sur-
 veys. The surveyor must prove, that at the time
 when those surveys were made, the course of
 the Red River was never as indicated by the
 black lines, before the corrected surveys can be
 adopted or properly endorsed.

Office of District Surveyor Donley Co
 Clarendon Texas, June 23, 1890.

J. James H. Parks, Surveyor of Donley Land District do hereby certify that I
 have been acquainted with the south bank of Red River along the North
 block line of Blk 1, J. Poitevent scrip and do know that the river
 front has not materially changed in any particular locality but
 has practically remained as shown by the Red line on this map
 for the past twelve years and that at no time since the original
 field notes were made has it occupied the position shown by the
 black lines, and that the position of the red lines indicate the
 River bank as it has existed at the date of the original survey.

James H. Parks
 Surveyor Donley Land District.

 Chief Clerk.

J. E. R. Clark, Surveyor Elect of Hall County
 do hereby certify that I am well acquainted with the Red river bank
 in front of this block of surveys and do know that the red line
 correctly represents the river bank at this time and that
 the black lines do not correctly represent the river bank
 either now nor at the date of the original survey.
