

Sketch 76.

Hamilton County.

Scale 2000 varas to 1 inch

Note - The W L Armour (in blue) is placed on this sketch, by its connection from the S E Cor of Wm Robbins, by way of the W H Skylesdell (1842) and F L Smith (1894), the connection given by original field notes of Smith, being 7400 to N 71 W & 850 to N 19 E from Robbins S E cor to said Smith's N W Cor. The Smith is now an abandoned survey. 10/10/98

Note - Since this sketch was made, the surveyor (Saxton) has returned certified sketch & statement, making change in surveys lying north & east of the W L Armour. See S. 3106. 6-7-99
