THE STATE OF TEXAS==

COUNTY OF HARDIN== Field notes of a survey made for the purpose of
locating the Boundry lines of the L..A. Rogers and its connecting surveys.
Variation $7^{\circ} 40'$ E.

Beginning at the North West corner of the David Chandler survey at
a stake for corner from which a Post Oak 10 in dia. brs. N.85 E. 10 vrs.
and a Magnolia 11 in dia. brs. S. 80 W. 3 vrs. (Both bearings of the
above corner are still standing and are plainly marked. At a former
time I resurveyed the entire survey of the David Chandler and know this
is the NorthWest corner of the said David Chandler.)

Thence West at 692 vrs. Village Slough 50 vrs. North of Pine Island
Bayou at 737 vrs. the West bank of Village Slough and at 1584-1/2 the
West boundry line of the D. Choat Survey of 1/4 League 1375 vrs. North
of its South West corner.

(I located the West line of the D. Choat by beginning a survey at
the resurvey corner for the South West corner of the Mary Ann Cottle
survey of 1 Labor of land a stake for this corner from which a Sweet
Gum 36 in dia. brs. N. 16 W. 7 vrs. and an Iron Wood S. 43 E. 1-1/2
vrs. and a Pin Oak S. 45 W. 2 vrs. all marked \bar{X}

I think the true corner of the Mary Ann Cottle should be S. 49
E. of this point ^{18 vs} from which a Pecan would bear S. 15 E. 4 vrs. and a
Sweet Gum 36 in dia. brs. N. 55 W. 7 vrs.

From the first described corner I ran E. 120 vrs.

Thence N. 40 vrs. Thence E. 100 vrs. Thence N. 49 E. 25-1/2 vrs.
to the Southwest corner of the D.Choat 1/4 League survey, and for this
corner I found a stake from which two dead and fallen Pin Oaks which
bears N. 49 E. 4 vrs. and S. 32 E. 5-6/10 vrs. Thence N. 1220 vrs.
crossing the G.B. & K.C.R.R. Track and at 1375 vrs. the intersection
of my line running West. (In running North of the David Choat West
boundry line I found an old marked line.)

Thence North 103 vrs.

Thence West 163 vrs. G.B. & K.C.R.R. Track 200 vrs. West line of Mary
Ann Cottle 212-1/2 vrs. Resurvey West line for same survey, and at 367
vrs. S. & E.T.R.R. track and at 400 vrs. I again ran South 53 vrs. to
the marked line for the Uriah Davidson South line, by resurvey.

Thence West 560 vrs. Pine Island Bayou. (Here I noticed that the resur-
vey line for the Davidson South line was 20 vrs. South of me at this point.

(2)

Thence North 53 varas. Thence West 101-1/2 vrs. Boggy Creek 37 vrs. North of where the same enters into Pine Island Bayou. And at 142-1/2 vrs. the West Bank of Boggy Creek, and at 1773 vrs. the West line of the John Choat and the E. line of the Little Ed Choat and at ~~215~~²⁸⁶⁵ vrs. the East line of another Ed Choat.

8744
North to
2865
Hardin Co. Tex. 33

Thence North with the East line of the same 1506 vrs. the south line of the E. Ariola as now marked on the ground from which a double Sweet Gum marked X. brs. S. 58 E. 7 vrs.

Thence East in the S. line of the E. Ariola 728 vrs. to the S.E. corner of the same a stake from which a Sweet Gum 13 in dia. brs. N. 86 E. 4 vrs. Thence North with a marked line at 3580 vrs. Boggy creek. And at 5104 vrs. a stake for the North East corner of the E. Ariola and the S.E. corner of F. Ariola from which a Pine brs. S. 5 W. 2 vrs. and a Pine brs. N. 66 E. 8 vrs. Both bearings marked X.

Thence North with a marked line 5103 vrs. to the N.E. corner of the F. Ariola and the S.W. corner of the A. Lancaster stake from which a White Oak brs. N. 50 E. 3 vrs. and a Sassafras brs. N. 11 W. 1-6/10 vrs. (The Sassafras is down but the trunk of the tree still remains on the ground.)

Surveyed October 10th and 11th, 1902.

I, J. L. McElyea, Deputy Surveyor of Hardin County, Texas, do hereby certify that the foregoing survey was made by me on the ground, and according to law, that the limits boundaries and corners, with the marks natural and artificial are truly described in the foregoing Plat and Field notes just as I found them on the ground.

This the 11th day of October 1902.

J. L. McElyea
Deputy Surveyor, Hardin Co., Tex.

I, W.B. Pedigo, Surveyor of Hardin County, Texas, do hereby certify that I have examined the foregoing Plat and Field notes and find them correct and that they were made on the ground as stated in the above certificate and that they are recorded in my office in Book "8" pages 50-51-52 and 53. This the 11th day of Oct 1902.
