Gentlemen:-

This is to certify that the following report is true and correct and reflects the conditions as found on the ground by actual survey and is in accordance with the Decree in Cause No. 18248 of the Eleventh Judicial District Court of Harris County, Texas in Volume 6 page 178 and Styled Mrs. J. M. Bringham Vs Sam. E. Allen in connection with the location and validity of the D. H. Burroughs Survey abstract No. 146 in Harris County, Texas.

Actual survey on the ground as made by me substantiated the decree as rendered in the above styled cause, that is; that the D. H. Burroughs survey lies wholly within conflict with the H. B. Prentice Survey, and does not exist.
