This sketch is a tracing of a portion of sketch made by P.J. White, Surveyor of Henderson Co. - Scale 1 inch = 2000 ft., which was one of several used in Case 7402, but Court Henderson Co. - T.C. Bickel did not find W. Eschwood et al. when it was decided that certain lands in controversy belong to the Langham family (2d line) & not to the Simon Sanchez - Re S.F. 12607
