that on abo
Survey papers
of 45th E. from a
as called for in t
and a manifest
as represented
the courses and
lines actually run
In Section
my
of October

Surveyor of Houston County do hereby certify
that on and that the J. Jackson survey is 432
That a corner of the J. Jacobs survey instead of the north corner
miles of the said District is also that the J. Jacobs
Prescriptions do not conflict with the P. Bean Lease
upon the map of this County. Further certify that all
distances shown upon this sketch have been determined
and measurements actually made on the ground
this 11th day
1847
