
EXPLANATION.

◎ indicates pipes set by John G. Allen, District Surveyor, and checked by H. J. Steinmann.

o indicates old pipes set by Gircaud.

Solid lines were lines run and measured by District Surveyor.

Broken lines were run and measured by Steinmann only.

Line with Question marks in them are lines on which surplus or mislocation may be found.

The Murphy survey #625 does not close on the Antonio Balle Survey #256 by 65 varas plus.
