

State of Texas
 District of Columbia
 I do certify that the within sketch
 is a correct representation of the survey, returned to this
 Office by George Green, Deputy Surveyor of said District up to date
 given at Caldwell this 20th day of July 1847.
 James Howlet
 District Surveyor

Surveys made on the waters
of the pearly 1846

Surveys made on the
east part of the pearly
1846

Boyer surveys
made in 1840

Complete representation of
 the surveys made on the prairie
 and adjacent country since the
 1 day of April 1844 to the
 1 July 1847

Plotted on map August 1847

The portion of the old surveys
 made before the revolution
 from actual survey appears
 to be as here represented
