I, Geo. Myers County Surveyor of Zavalla County Texas do hereby certify that this sketch shows the true positions of the lands platted thereon to each other as I have found them by actual survey upon the ground as per marked lines and when original corners are shown on sketch I have found them and that the lines shown hereon as bounding the Grants now have fences upon them showing that they have been there 18 or 20 years.

Scale 2000 vrs to 1 inch

Aug 15th 1900.

Geo Myers
County Surveyor Zavalla Co. Tex
