Zavalla Co.  
Dimmit Co.

General Land Office,  
Austin Texas, Oct. 7<sup>th</sup> 1900.  
Scale: 4000 Yds. = One Inch.

Sketch from Map of Zavalla Co. of 1876,  
and map of Dimmit Co. of 1863.

Note: The surveys on which patents have been cancelled or cancelled and floated are so noted hereon in red ink. Those along the Nueces River front, on which numbers only are shown, no names written thereon, it appears no returns were ever made to this office - hence void - while the remaining surveys, without notation, appear to be in good standing. See small sketch accompanying which shows position of the Moreland, B.B. & C. P. Co. and Fisher & Miller surveys, as shown by official map of 1894 of Dimmit Co.
