To The Hon. Wm. Ward, Commissioner of
the Gen. Land Office of Texas.

In making out the field notes for Daniel
Parker an assignee of Wm. Greenwood there was
some informality in them which caused the County Surveyor
to reject them and consequently a new survey had to be
made which was not done until the year 1844 which
makes the notes of the 6th new survey made for said Daniel
Parker assignee of Wm. Greenwood of a later date
than the notes which are made to the Right Certificate
of Payton Parker which Certificate was transferred to
Daniel Parker from the 14th 1845.
