

Talbot Texas. April 7th 1873

Hon Jacob Kuebler
County G. L. Office
Austin Texas

Sir

I have
The Honor to report to you the Condition of
The Records of this Office at this time - also
as to County Maps =

There is no Map of this County
belonging to this Office - nor has there been
in a Number of Years, so far as I can
learn = The Surveyor has had in his use
a Mevati Map of another Party = for a long
time = which is an old one =

The Records are in very bad Condition
and I find it almost impossible to arrive at
The Correctness of Surveys = as first - Many
of them does not appear on our Records =
Some of them have been torn out & mutil-
-ated that they do us very little good = They were
very superior Books at first = and having been
handled by many and rough hands = are very
much in need of transcribing = I have
petitioned the County Court - several times to
have the same done = but have failed
in getting it done = so far
