The State of Texas } Plot and field notes
 County of Angelina } of a Resurvey of a League
 of Land made for Samuel Bates Beginning
 930 vrs East and 59 vrs South from the N E
 Corner of a 160 acre Preemption Survey made
 in the name of William Barge at which
 point I find a mound and Bearing trees
 the course and distances as called for
 in Said Bates field notes marked as
 Such corner trees are usually marked
 Thence North finding old Blazes occasion-
 ally at 5000 vrs I find no corner trees
 Standing timber having been cut away
 about this point But the growth of timber
 at this point Such as called for in
 Said Bates field notes Thence East at
 5000 vrs through piney wood at the end
 of 5000 vrs I find some wateroaks.
 Thence South through pine woods

at 5000 vrs I come to a Not of Blackjacks
Thence west crossing a creek 5 vrs wide
at 5000 vrs the place of Beginning
Resurveyed February the 3rd 1885
