I, J. K. Polkishky, Deputy-Surveyor Bear
 District do hereby certify that this is a true repre-
 sentation of surveys on Shutata Cr. made by
 me A. D. 1856.

J. K. Polkishky
 Deputy Surveyor B. D.

Of no use.

The certificate on the
within sketch is not dated,
and should be approved
by the present District -
Surveyor of Beaver Distr.

It seems later work has
changed some of surveys.
For instance No 1297 is
returned as a 640 acres sur-
vey not 320 as by this sketch,
and No 1300 is returned
as a 320 (D. Farin) and
this sketch shows a 640.

The sketch has to show
the relative positions of
the surveys as they are
now recognized, giving
their connections in
figures. June 19/62
