

File 1(a)

Gastrop County

Sketch of Surveys on Bartons
Rock & Buckners Creek

Nov. & Decem^r 6th 1854

about 15 M. S. 15 E.
of Bartrop.

County 14090

Gastrop Co. St. File # 1(a)

State of Texas
Bastrop Land District

The above is a correct sketch of the relative position of the surveys thereon represented. All the corners mks. have been identified on the ground. The corners of the surveys of M. Evans, W. Crowson, and W. Latham are those of Resurveys made by Reed, the former District surveyor of said District, and recorded in the Office thereof. The A. Williams survey was also made by Reed, - who formerly assisted Sims as Chain carrier.
