

Surveyor of Baylor County.

Seymour, Texas, ..... 1887

The State of Texas }  
 County of Baylor }

I A. D. Kerr Surveyor of Baylor County do hereby certify that all the Texas & N. O. R. R. Co's surveys North & West of Survey 119 for said Company have been found by me and Mr W. A. Jones to be in excess on an average of 84 rods to the survey. That the E line of Survey No. ~~148~~ is 2067 rods long, which throws an average of 1961 rods in the E lines of Surveys 117, 116, 115, 114. That from the N. E. cor of the said sur 148, it is 280 rods North to the first branch and 148 rods South to the Hackberry tree called for in Field notes as an elm - and I hereby certify that the foregoing plat represents the true position of the surveys platted thereon, Witness my hand at Seymour this the 14<sup>th</sup> day of Oct A. D. 1887

A. D. Kerr,

County Surveyor  
 Baylor Co.,
