

The State of Texas 3rd Daniel Montague District
Cooke land District 3rd District do hereby Certify
that the annexed Sketch ^{represents} shows the true Consec-
-tion of the Survey, as is shown from the Record
& Maps of my office. except Survey N^o. 12
the field notes, of which purports to commence 3407
yds South & 1200 yds West of the N.W. Cor of N^o. 11
which I have supposed to be an error. —
which would make a conflict ^{with} the 2 league
Survey for Upshur Co. And as the ~~part~~
of that Block of Morde was done by the
same, Deputy Surveyor. I suppose that said
N^o. 12. & those other Surveys connected with
it are properly located on said Sketch
Given under my hand at office
in Gainesville on this the 12th
day of January 1856th
