

The above sketch represents the surveys between the Parista and Aransas. Some of the distances marked on the sketch, as I have sent the same sketch twice before this showing fully the courses & distances. I hope this will be sufficient for the present.

I will enclose forward the field notes as corrected by me, of surveys Nos. 10, 11, 12 & 14 made for Bee Co School Land.

Yours truly

J. B. Atkins
Sur Bee Co
