I Wm Armstrong District Surveyor for Milam District
do certify that the foregoing Sketch is a true repres-
entation of the Surveys as made on the ground
and the vacant Land is as represented between the
North Line of Jose Antonio De Pena and
the Surveys on Indian Creek I found the S.W
and N.W corners of Said Pena and
also the N.W corner of H. Purdum and
N.W corner of Lion Smith and made
a connection between the North W corner of
Pena and Lion Smiths N.W corner
Given under my hand at Cameron
June 9th 1832

Wm Armstrong District
Surveyor for Milam District
