A. Plan of Livy's work on the Pedernales & Llano under date August 12th 1847, was returned by you to this Office not long since; by applying said plan to the map of the work on James's river to clash with work on the upper Llano returned & certified to by John C. Hays, then Dist^t Surveyor. One of the two plans must be wrong; I wish to be informed by you how to rectify said clashing. With respect, Sir, I am
Your obtt. servt.
