

I John M. Watson Surveyor of Blanco County
 hereby Certify that the above is a true and correct
 sketch showing the relative position of each Survey
 represented thereon, and that there exist a
 greater vacancy between Survey No 251. and No 11.
 than is represented on the Map, and that
 no conflict exist between No 11 & No 29. all
 of which has been ascertained from actual
 measurement on the ground
 Blanco Feb 27 - 1874
