Dear Sir:

After you have agreed upon the boundaries which you wish to locate, I will request Hon. John J. Terrell to authorize me to do the work as State Surveyor, and I will go upon the ground as soon as my work will permit, to locate all the lines which have been agreed upon by all the adjacent owners. If a considerable number of land owners, holding land in a solid body should sign the attached agreement, Mr. Terrell will probably instruct the work to be done officially.

Yours truly, *W. D. Twichell*

We the undersigned, being the owners of the respective tracts of land indicated opposite our names on the following list attached hereto, for the purpose of permanently fixing the land boundaries in which we are jointly interested, do hereby employ W. D. Twichell, an experienced practical surveyor, to go upon the ground and mark the boundaries and corners of our land; and we singly and severally do hereby expressly agree that the boundaries so marked shall thereafter be the boundaries of our respective tracts of land, and each of us do hereby expressly bind ourselves to construct our improvements and yield possession in accordance, and to conform with, the land boundaries as so surveyed and marked by said W. D. Twichell.

It is further agreed and understood that this survey shall begin at the Southeast corner of Section 397, Block 9, as now placed by W. D. Twichell, State Surveyor; irrespective of the original corner described as the common corner for Sections 8, 9, 16 and 17 in this Block 10; and we, singly and severally do hereby expressly waive any and all rights which we may have to require the land in which we are interested to be established from said original corner; and it is further agreed that the re-survey contemplated by this agreement shall conform and harmonize with all marks and corners in this Block 10, which now appear in the reports and corrected field notes of State Surveyors now approved and on file in the General Land Office:
