S 60 E 1508 varas

S 30 E 465 varas

S 4 W 510 varas to the W E corner of the Clabourne Mill Survey

I Henry McCardona County Surveyor of Basque County
do hereby certify that the above and foregoing is a correct copy from the files of
McCardona Deputy Surveyor of Basque County Meridian - September 19, 1869

This connection seems to be
erroneous it would be more
in accord with the adjoining
survey when the connection
above in its part course would
call for the N W. cor. in-
stead for the N E. cor. of the
C. Hall survey.

Henry McCardona
Special Deputy

File 23.

Bozque County

Connection between Childers Creek and Brazos, correcting some contained in File 21.

16510E

Also connection between David Sample lower survey on Neels Creek and Clarence Neil survey on the Bozque.

15-520E

Filed October 5, 1863.
