

I, Warren Damon, District-Surveyor
 for Oregon District do hereby certify
 that the annexed Plat is a correct
 representation of the surveys made by me
 on Mustang Slough by order of J.S. & B.R.R.
 certificates. I have also connected the heads
 of Mustang and Chocolate Bayou and the
 N.E. & B.R.R. with the N.E. Cor. of this
 County as represented above by red
 dotted line - The position of Mustang
 is shown accurately upon the outer
 lines of each survey - the sketch does
 not exactly correspond with your map but I hereby
 certify that it is correct as I have traced out
 many of the old established lines -

Given under my hand at
