Hon. Bascom Giles, Commissioner,
General Land Office
Austin, Texas.

Dear Sir:

As previously requested by the Land Office, I am sending you map of survey made by me in the matter of a connecting traverse line, run by me, for the distance West and South from the Northeast corner of Survey No. 95, Block G-18, T.C.Ry.Co., at the mouth of San Francisco Creek, same being the County Line corner between Brewster and Terrell Counties, Texas, to the Southwest corner of Survey No. 1, Block M-2, as located by D.B.Scott, Licensed Land Surveyor of San Antonio, Tex., which, I am satisfied, is the original corner established by John T. Gano.

Respectfully yours,

H.R. Gard
