

Scale of 20000 to the Inch. Variation. 10. E.

At the same corner on Pecan Bayou of St Pattons 1280 acre survey one only of the bearing trees found.

The lines with the distances marked down on them were run & measured by me. The upper line of the Dutton N 45 E was traced out from the Pecan Bayou towards it struck the meridian of survey no 580 - could not find any of the corners of said Dutton lease though looked for them.

I certify to all of the above 10th Oct 1868

L. A. Suckert

J. S. Brown Esq.

I do truly certify that I have examined the foregoing plat and approve of it as a correct
