Sir,

In making serv. No. 1063 of 679⁰⁰
made for Lewis Adam by virtue
of Sup. H. rights Cer. No. 2374
I was misled by a sketch
from the Gr. Land Office and
not being able to make a full
investigation on account of
the very limited time before
the 1st of July, a grave
mistake was made which I
have developed since and which
shows as follows -

I found the upper Cor. of The
Gr. H. Johnson league with
two Live Oak bearings 270 from
the bank of the R -

The N. E. Cor. of The Silva in side
of Johnson league 26 m. and
Lat - S. 44 1/2 m. from the S. E.
Cor. of Salinas serv.

My object in this communication
is to put you in possession of
