Hon Chas. Rogan
Austin, Texas.

Dear Sir:-

Answering yours of 8th inst will say
there is no strip of land lying south of sec
15, Blk 2, T. 2. R. 6. Carson Co. The resurvey
of block 2, made by J. F. McClelland in 1888,
extends south line of said sec 15 to connect with
North line sec's 3 & 4, Blk 2, T. 2, R. 6, Carson Co.

We have no qualified County surveyor in this Co.
I was elected, but did not qualify.

I wish to know if an application made to me,
as Co. surveyor, to survey a part of this vacant
strip for prospective purchaser would be legal
and would field notes returned by me be rec-
ognized at your office? If so kindly send
me a few blanks for use in making appli-
ca for the survey also, ^{blank} applications to purchase

Yours respectfully
J. L. Gray
