July 30, 1936

Mr. J. H. Walker, Commissioner  
General Land Office  
Austin, Texas

Dear Mr. Walker:

Enclosed is a copy of the field notes of the John Guffey Survey as taken from the records of Paschal County at Clarksville; could you advise me if there is anything on record about this in Austin?

You will notice that the calls of the field notes are conflicting. This is now occupied by the Benjamin Murrey and Priscilla Evans Surveys Cass County, Texas. In order to establish the corner of an existing survey, I am trying to fix the correct length of the South line of the John Guffey Survey and am in hopes some record in Austin may clear this up.

Sincerely yours,

*Edmund Key Jr*
