

The State of Texas
Cass County

We the undersigned Chief Justice
and County Commissioners composing the
County Court of said County, do hereby
Certify that we have Examined the Map of
said County drawn by A. J. Holcomb for
the office of Bowie Land District, and find the
same to be a correct Map of the surveyed Land
of the County so far as to our Knowledge of
the same extends, and would suggest to the
General Land office great trouble and diffi-
culty in making the same, owing to the situa-
tion of this Land office at the time the Map was
drawn, there being no Map of any of the Survey
which could be relied on, and the Records were
scattered in the different offices from which this
County was taken, we would therefore recommend
liberal compensation for said Map
