131	132	133	134	135	136	137	138	139	140
141	142	143	144	145	146	147	148	149	150

The above corner & distance was
 the N. 72° W. on a bearing of 175° and that
 extends one of the corners from the
 corner of land No. 175 by the bearing
 and distance to the S. E. 1/4 of N. 72
 N. 72° W. in 1210 ft. This bearing
 the west line of No. 175 across for
 the base line of land No. 72. Case to
 our regard No. 288. These bearings
 N. 72° W. and N. 72° E. + the N. 72°
 North 70° W. to the S. corner of
 S. 207° and distance N. 288° and distance
 307° as base to the west line of
 No. 72 across for N. 72° E. 1500 ft. is
 distance from the S. corner of land
 No. 72 to the S. corner of land
 No. 72. Sackett's survey
