

J. Jos. Croas, County Surveyor of the County of Comal, do hereby certify, that a certain Survey of 160 Acres of Land, known as Survey No. 581, Sect. 2, about 12 Miles North West of New Braunfels, Comal County, made for Benjamin P. Fry, has been surveyed, before the time of making the Benjamin P. Fry Surveys, represented on the above plot. & I do further certify, that at the time of making the above represented colored Surveys, the Corners, marked on the above plot that \star , about 24 in number, have been the only original Corners, which could be found on the ground.

New Braunfels, September the 20th 1839.

J. Croas
Co. Surveyor Comal Co.

Not sufficient to establish vacancy as it no where shows that the two opposite lines or corners were found.
