The State of Texas,  
County of Cooke. By J. H. Ragdale County Surveyor for  
Cooke County do hereby Certify that the following  
Surveys shown on this Sketch are from actual  
Measurement on the ground, To-wit: James Jones  
Jerry Lavery, P. G. Orsburn, Wm. King, D. H. Robinson,  
Anthony Parkham, and W. H. Burch,  
In testimony Whereof I hereunto Affix My  
Official Seal at Gainesville this the 23<sup>d</sup> day  
of Dec. A. D. 1871. J. H. Ragdale.

Note The Commissioner G. L. O., will perceive that the con-  
clusion of Mapping Surveys in this locality, has been  
caused principally, by the deficiency in the Anthony Parkham,  
Survey, it being mapped for 320 acres but containing  
only 120. By virtue of a late Act of the Legislature  
in regard to Correcting and Patenting Surveys, the Commissioner  
is hereby requested to erase the objections entered on the  
field Notes of the above Surveys, and not require a  
separate sketch for each respective set of Field  
Notes.

Respectfully,

J. H. Ragdale,

C. S. Cole
