Dear Sir

Inclosed herewith you will find my check for \$13⁰⁰ in payment of filing fees on 13 set of corrected(?) field fieldnotes, also inclosed herewith - (Philip's Ranch Crockett Co)

Of these field notes 3 sets, where corrections were made in red ink, were sent to Crockett County that the corrections may be made on the records there.

Also inclosed herewith you will find corrected field notes of surveys 30 1/2 Jams Anderson an 30 1/4 in name of J. A. Reed.

I have tried to correct these field notes to conform to your instructions but if I have failed in this I will correct to meet your requirements.

You will note that I have made no changes in the field notes of 30 1/2, inasmuch as they appear to agree in construction with your suggestions, however if I have overlooked some error, please advise me.

Yours Truly

J. J. Goodfellow

Dear Sir

Inclosed herewith you will find 17 set of corrected field notes, one map, and a statement of connecting lines prepared by me, of lands in Crockett County, on what is known as the Arthur Philips Ranch, to be filed in your office.

Mr Arthur Philips will advise you later, regarding the issuing of Patents to these lands.

Should Mr Philips desire a patent on Survey 2952 in name of J. N. Teachey, it may issue on Original field notes since there will be no change on this survey.

You may advise me of what the filing fees will be on this group of papers, if any.

Yours Truly

Goodfellow
