Comr. Genl. Land Office

Austin Texas

Dear Sir:

I understand that you have established the disputed survey, that has exlusted in this part for some time, according to H. C. Knight's survey, and not according to the Williams survey made from Clewett Lake corner. I wish you would please write me what has been done in the matter, and what survey you hold as the correct one for Block "C" Crosby Co. If the Knight sur. is correct or adopted by you as correct, what will our people do who have located on school land in good

fact according to the Williams  
survey, at the Knight-sur.  
put them off all their  
improvements.

I would be pleased to have your  
reply on this at an early date.  
Yours very truly -  
M. M. Cox

Protesting to the  
Comptroller of Cash  
Resurvey.
