

El Paso Texas Oct 16/86

To W. C. Walsh

Com<sup>r</sup> Genl Land Office

Austin Texas.

Sir,

I herby certify

of Block G. B.

of Presidio and El Paso Counties Texas,  
Corrected by me September 9<sup>th</sup> 1885,

That the map and certificate made  
by me, accompanying said corrections,  
and showing the relative position and  
connection between said Block G. B.

and the M. Atkinson and John Henderson  
surveys, and also the position of  
the County Line, was signed by me,

at the urgent request of S. H. Wade,  
the then Surveyor of El Paso County  
Texas, as an act of courtesy to Mr  
Gleum, who while Deputy Surveyor  
of Presidio County, claimed to have

actually made said connection, on  
the ground, and that I had no  
personal knowledge of the position  
of said surveys upon the ground,  
and did not make said connections

myself, but that I made the certificate  
referred to above, simply and solely  
as an act of courtesy to Deputy  
Surveyor Gleum, firmly believing  
at the time, that said Gleum had  
faithfully executed the work, as he

so represented to me,

I further certify, that my object  
in making this Certificate, is  
to correct, as far as in my power,  
an error, which however unwittingly  
committed upon my part, may  
result in serious injury to  
innocent parties.
