I John Heale county Surveyor of Dallas
 county hereby certify that the above sketch
 is a correct Representation of the Surveys there
 in Sketches, and I further certify that
 the George Wilson Survey does not conflict
 with the J. Reese J. W. Carter and H. Bright Surveys
 and that the aforesaid Surveys make an erroneous
 call by calling for the corners and lines of
 the J. Proctor Survey, and that said error
 was made by my self and was caused by
 not having the Wilson Field not on Record
 in this office I mistook the N. W. corner of
 the said Willson Survey for that of the J.
 Proctor Survey. all of which I find to be
 the case by actual Surveying and Examina-
 tions on the Ground.

Given under my hand this August 2. 1858
