 Surveying Conflict - ~~but~~

I do hereby Certify that
 Lessor Pastors, 1420 ac
 Survey, does not conflict
 with McKinney & Williams
 320 ac Survey on the
 Ground - but that the
 Surveying Conflict is
 owing to the lines of
 Adjoining Surveys - being
 longer on the ground
 than their Calls -

To The Comr. U.S. Office

Dear Sir, In your last Statement
 you report C W Clark in Conflict with A
 A Moore &c - above I have you sketch
 showing its position, to them, there is no
 Conflict upon the ground, and you will
 perceive there is space according to the F Notes
 of the surrounding Surveys - 4205 ac Over -

Yours very Respectfully
