Dear sir,

I herewith enclose a certified map of the land lying in Donley, Hall, Briscoe and Armstrong Counties, which you demanded of me last November, and I have been so busy ever since I could not get it made sooner, and sincerely hope this will be satisfactory to you, and shall await with patience your command relative to the corrected <sup>field notes</sup> which I sent you on the second of Nov, 1905. I had also sent a number of 7-7- for Mr. R. Walsh, to unsurveyed lands, which you held up with the balance, now the matter is up to you, this is all the information I can furnish and feel that I have done my duty as an official.

Yours Truly

E. R. Clark Surveyor  
 Donley Co., Texas.
