[Handwritten notes and scribbles on a separate piece of paper, including the name 'Edward's Co. St. File #7' and various illegible characters.]

Scale, 1000 feet = 1 inch
 State Surveyor Williams' Corners identified on the ground
 are marked thus: 
 Corners established by me are marked thus: 
 I, J.P. Dickens, County Surveyor of Edwards County, Texas, do hereby
 certify that the above and foregoing sketch is a true and correct
 representation of the survey shown thereon and that the conventional
 lines in solid red lines were actually and carefully surveyed
 by me on the ground
 shown under my hand at Rockspring, Texas, this 10th day of
 August, 1912.
 J.P. Dickens, Surveyor of
 Edwards County, Texas.
